SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission statement of Burton-Pack Elementary School is to ensure that each student is successful in his or her academic, social, and personal growth by creating an educational environment characterized by student discovery and exploration; respect for individual and cultural differences; an atmosphere in which students can develop self-worth; and parent/community involvement and support.

To accomplish this goal, the continuous achievement of the Burton-Pack students is the focus of all staff members. There is on-going assessment of the mastery of the state standards through PASS-like quizzes, district benchmarks, and weekly standards-based evaluations. There is also extensive team-teaching with literacy coaches, data analysis, and professional learning communities' meetings. Special celebrations and recognitions occur as our students demonstrate proficiency.

Burton-Pack Elementary School has made significant progress over the past few years. There is continual emphasis on standards-based instruction and academic rigor. There is also substantial support that is provided each day.

Initiatives of Burton-Pack, included the After-School Tutorial Program, daily small-group instruction, Accelerated Reader, SuccessMaker, and the three-week Saturday and Writing Academy programs. The Comprehensive Remediation Program served approximately 100 students in grades 3-5 on an on-going basis. The program provided tutoring in math, reading, science, and social studies in a structured and supervised environment. The Saturday and Writing Academies provided intensive instruction to 80 students in grades 3-5 for a six week period. The focus for the Saturday interventions was writing, reading, and mathematics. Evaluations received from students and staff members reported that the program was highly effective. Parent input yielded the same positive responses.

Small-group instruction occurred with teachers providing remediation to students each day. A successful initiative was the Math Instructional Focus. On each half-day Wednesday morning, all staff engaged in team teaching. Rigorous and challenging math activities were done with all students. A school-wide writing prompt was also done on half-days.

In addition to the academic improvements, there have been positive outcomes with the following: student attendance increased to 96.3%; percentage of teachers returning from the previous year increased to 79.1%, and we continued to have an excellent rating for character education programs.

Gains in student achievement are expected to continue as a result of the school initiatives, district programs, and our desire to have 80% of our students meet or exceed the state standards in 2009. This is evident, for we received the following: AYP status, Palmetto Silver, and Red Carpet. We are finishing strong at Burton-Pack Elementary!
